

The logo for EthoSource Office Furniture is centered on the left side of the page. It features the company name "EthoSource" in a large, bold, black serif font, with "Office Furniture" in a smaller, black serif font directly below it. The text is enclosed within a stylized oval shape composed of two curved lines: a dark blue line on the top and left, and a light green line on the bottom and right. The background of the entire page is a light gray gradient.

# Company Overview

**Ethosource is an office furniture company that provides a unique blend of value driven solutions to customers throughout the United States. We specialize in the provision of high quality, pre-owned furniture and refurbished cubicles, which can help you experience significant cost savings while being eco-friendly. Our pre-owned product offering can be supplemented with new office furniture from one of the many quality manufacturers that we represent. In addition to helping you furnish your space, Ethosource is also an experienced and trusted provider of nationwide office furniture liquidation and buyback services. Ethosource's product knowledge and industry experience will help guide you through every step of the project, from space planning to installation. We are excited that you have taken a few moments to get to know us, we look forward to working with you.**

# Pre-Owned Office Furniture

EthoSource evaluates and acquires beautiful inventories of gently used office furniture from across the United States on a daily basis. Pre-owned office furniture from EthoSource has been carefully inspected, cleaned and inspected again prior to re-packaging for our customers. Whether you need cubicles, executive offices, seating, filing, conference rooms, etc., EthoSource can provide high quality pre-owned solutions that will save you money.

# Pre-Owned Examples

# Refurbished Cubicles

The cornerstone of EthoSource's product offering is our refurbished cubicles, our specialty being Herman Miller Ethospace. EthoSource is able to provide a completely customizable A-grade furniture solution that offers unparalleled durability, flexibility and value. Cubicles are designed and specified to your exact requirements. New fabrics and finishes can be selected to create the look and feel that you desire. Our refurbished cubicles provide you with a cubicle that looks and functions as if it were new, without paying the price of new.

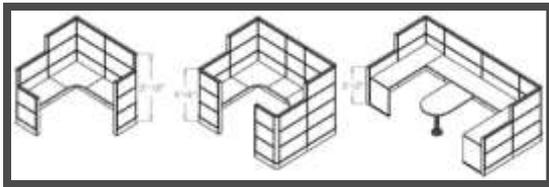

# Refurbished Cubicle Examples

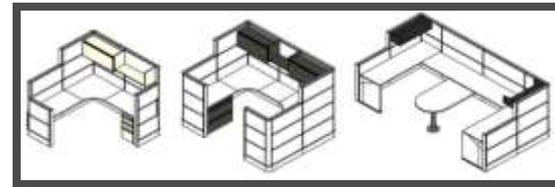

# Cubicle Customization

One of the unique aspects of working with EthoSource is our ability to customize pre-owned and refurbished workstations to meet the specific needs of your office space, from a layout and aesthetic standpoint. The EthoSource sales and design team will walk you through the process outlined below, as you consider the requirements of your workspace.

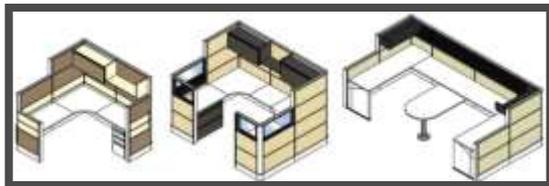

## Step 1. Layout Size, height, position

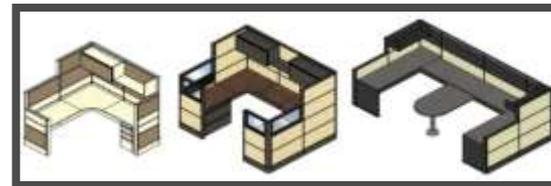

## Step 2. Storage Overhead, Rail Tile, Under Surface

## Step 3. Tiles Choose tile type

## Step 4. Finishing Options Choose Fabrics, paint/trim colors

# New Furniture

EthoSource offers a wide range of new office furniture products from many different manufacturers. We are ready to provide you with numerous options for every part of their facility including; conference and meeting rooms, executive office suites, training rooms, libraries, education settings, cafeterias, lobbies, etc. Through the careful blending of both refurbished and new furniture, EthoSource will help you create an environment that is just what you are looking for.

# New Furniture Examples

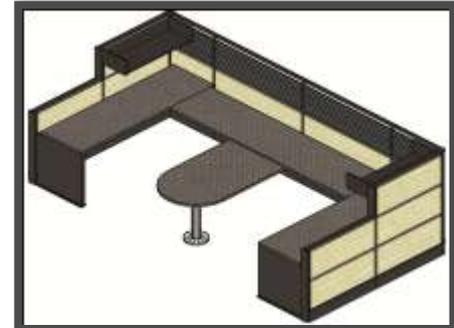

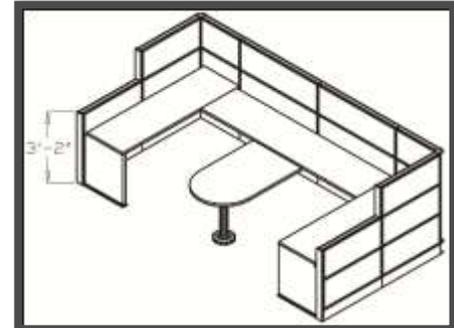

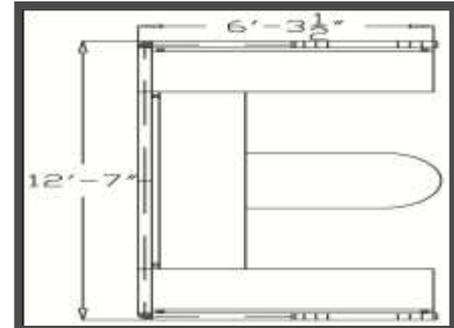

# Green Furniture Solutions

Sustainable Office Furniture, at its core, has to do with protecting and preserving the earth's resources. By maximizing resource reuse, Ethosource is able to minimize raw material needs, use a fraction of the energy and labor, and provide cubicle systems that are a perfect fit for any company pursuing green initiatives and/or the U.S. Green Building Council's (USGBC) LEED certification.

# Space Planning & Design

EthoSource has a team of designers ready to help you fully maximize and visualize your space in the event of a move or reconfiguration. Our extensive furniture experience allows us to create and suggest numerous creative layouts that will allow your business to grow and function as you need it to. From preliminary space planning, to detailed color renderings, our design team will provide you with all of the necessary tools to make intelligent decisions regarding your space.

# Project & Move Management

EthoSource has vast experience in helping our clients manage all of the aspects of furnishing their office space. Whether it be the coordination of the delivery and installation of new furniture, or the disassembly, move and re-assembly of existing furniture in a new location, EthoSource will oversee and manage the process while supplying you with timely updates and input throughout the project.

# Swing Space Management

It often takes thinking outside of the box when faced with the need to temporarily displace employees in the midst of a move or renovation. EthoSource has the experience and resources necessary to make this happen with as little disruption to your business as possible. EthoSource can help you navigate the entire process with such services as the temporary provision of furniture, the knockdown and relocation of existing furniture or both.

# Office Furniture Liquidation & Buy Back

EthoSource is a nationally recognized leader in the field of office furniture liquidation. Whether you are relocating, downsizing, reorganizing or upgrading your existing furniture, EthoSource can provide all of the services and expertise necessary to effectively remove your excess furniture. Our liquidation team will manage the entire process to ensure that all furniture is removed in the agreed upon time frame and that the maximum value of the furniture is captured. All facets of the liquidation will be analyzed, discussed and documented, up front, to ensure a smooth and worry free transition..

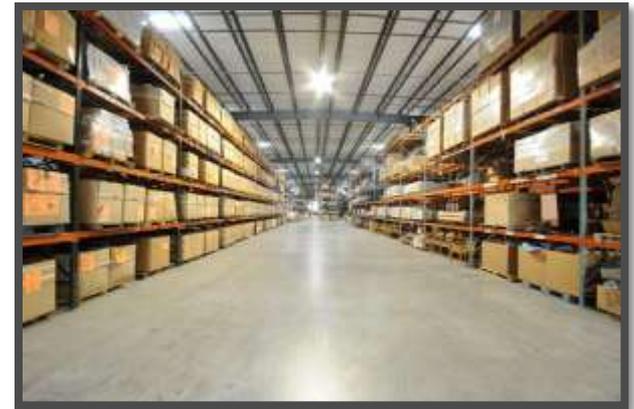

In addition to the liquidation of office furniture, EthoSource offers qualified customers with a wide range of buy back, trade in, and banking options which can dramatically offset the cost of new furniture. We will carefully evaluate any existing furniture to determine the maximum benefit that it will have on the scope of the entire project.

*"I couldn't be happier with the process and look forward to continuing our relationship. I am astounded that you removed such a quantity of furniture in such a short time. It's clear you are an experienced professional and your knock-down crew deserves kudos."*

**-Susan H. - Lincoln Financial**

# Our Facility

The EthoSource facility is over 110,000 square feet of organized, categorized, and carefully inventoried office furniture, which is in-stock and ready to be specified for our customers. Our attention to detail starts internally and will be carried through to the installation of the furniture.

# Customer Testimonials

*Ethosource provided stand-alone workstations and seating for my office. The price was unbeatable and their service was outstanding. I would recommend Ethosource to anyone seeking office cubicles, desks, seating or related items. Ethosource, can be trusted to do a super, professional job.*

**Blanketdepot.com, Cumberland, MD**

*"It is not very often that I find a business that is as organized, helpful and professional as EthoSource. My experience with your company from the original concept through design delivery and installation was exceptional. You did what you said you would do, on time, every time, at a fair price. In addition, the product is fantastic. I am very pleased with the quality and must say that as far as the look goes, there is nothing used about it. Everything looks new and compliments our office very well. From all of us at Westland, thank you!"*

**WestLand Resources, Inc., Tucson, AZ**

*"We feel we have received a much better quality product by purchasing refurbished workstations from you than we ever could have received for the same money with a new product. We absolutely cannot tell that the product is not new as all work surfaces are in fact new materials. We would certainly do it again, especially after hearing from our brethren in the Palm Beach office complaining about their new workstations falling apart already."*

**CB Richard Ellis, Miami, FL**

*The Ethosource units were delivered and installed last Friday. I compliment you on the overall condition of the units – they are (once again) excellent and we are very pleased! As well, know that your installation team could not have been more cooperative and efficient on the installation. I appreciate your business and service.*
