Polished Personality.

Always stylish, comfortable and effortlessly adaptable, Canvas enlivens corporate environments with refined aesthetics born from an appealing mix of materials, finishes and components. Project a fresh, polished attitude with new high-gloss acrylic modesty panels and hutch doors, available in four sophisticated hues: Graphite, Wired Mercury, Black or White. Inset chrome drawer pulls and paper slots add subtle shine.

Canvas: Shaker Cherry (SKC) laminate with Graphite (GPA) High Gloss Acrylic doors and modesty along with Chrome Alcove (CAV) pulls. Tackboard in Momentum Odyssey Tinge.
Seating: Eden Swivel.

Executive, ergonomic sit-to-stand desks integrate a seamless design. An electric mechanism with a simple touch pad operation, safely lifts the work surface to 42" high, enabling healthier work habits. Available for desks, bridges, returns, and credenzas, each has power/data and wire management options.

Dynamic Layering.

With an enhanced selection of multidimensional components, the creation of an ultra-functional workspace is limited only by your imagination. New and now: A benching system with varied heights and a vertical bookcase tower with open shelving. An open L-shelf and chrome bar legs help define a thin, elegant profile. Work walls have optional tool rails and accessories. Add another level of interest with contrasting hutch doors that can be specified right- or left-handed.

Canvas: Beigewood (BW) laminate with White (WHA) High Gloss Acrylic doors and Chrome Flair (CFL) pulls. Tackboard in Momentum Tradition Latte. **Seating:** Clutch Swivel in Green Hides Sierra White.

Durable Elegance.

The extensive Canvas palette begins with remarkably realistic wood grain finishes in smooth or textured laminates. Lighten the attitude with sleek chrome bar legs and white modesty panels. Bridge a long shared space with wall-mounted hutches and a work wall that can be specified with fabric tack boards, a writeable surface, or an optional tool rail with accessories that keep your work surface neat and accessible.

Canvas (right): Ontano (OT) laminate with Pearl White (PL) modesty and Aluminum Flair (AFL) pulls. Tackboard in Momentum Infinity Aster.

Seating: Joy Swivel in Momentum Infinity Aster. Toby in Anthracite.

Canvas (below): Ontano (OT) laminate with Designer White (WH) worksurfaces and Gallery screen along with Aluminum Flair (AFL) pulls.

Utilize low credenzas to form a shared T-configuration workstation with wall-mounted hutches, work walls and open design chrome legs. A gallery screen provides privacy and establishes a design contrast.

Nimble Design.

Canvas supports a cohesive design strategy across the organizational spectrum, from private offices to open plan environments. Shared workstations, standing height collaboration desks, intimate meeting areas and lounge zones. Dual access hutches with optional writeable surfaces optimize small spaces. Surface mounted privacy screens lend an architectural edge. Modesty panels for desks and hutch doors can be specified in laminate, high gloss or frosted acrylic, to accentuate contrasts.

Canvas: Pinnacle Walnut (PNW) laminate with White (WHA) High Gloss Acrylic doors and Chrome Alcove (CAV) pulls. Tackboard in Momentum Millennium Pyrite. Background in Pinnacle Walnut (PNW) and Designer White (WH) laminates. **Seating:** Clutch Swivel in Green Hides Sierra White. Joy Swivel in Momentum Millennium Pyrite. Toby in White.

Sleek Flexibility.

Canvas workstations for open team and tandem environments blend practicality and presence. Surface mounted privacy panels and benching units establish individual spaces within an array of multi-user configurations. Provide ample storage with drawer units and under surface mounted or standing bookshelves. Choose from 48" or 60" wide tops, with power portals for each user.

Canvas: White Zebrine (WZ) laminate tops and drawer fronts with Slate Grey (SG) chassis and Designer White (WH) privacy screens along with Aluminum Arc (AAC) pulls. **Seating:** Joy Swivels in Momentum Infinity Aster.

Benching system options include mobile pedestals on casters, bookcases, tray and file drawer systems, work surface mounted storage and unique, 51-inch high wardrobes.

Thoughtful Details.

Delineate individual spaces and enhance privacy with gallery screens (available as single panels or L-shaped corners) and dual-access hutches with private compartments on both sides. Encourage a clean sensibility by positioning open shelving underneath desks. Edge profiles and pull choices in two finishes accentuate style.

Canvas: Studio Teak (TK) and Pepperdust (PPD) laminates with Chrome Alcove (CAV) pulls.

Easy to specify wire management options allow users to route cords away from the work surface for a clean aesthetic. Specify wire management cutouts left or right on modular components as needed.

Canvas adapts to consultative environments with desks that integrate monitor arms and stands. Media peninsulas have an aluminum rectangular post leg or an open O leg in aluminum or chrome. A multi-purpose storage tower mixes wardrobe, file box and drawer capabilities. Optional wireless charge spots keep devices ready to power through the day.

Canvas: Midnight Echo (ME) laminate with Aluminum Arc (AAC) pulls. **Seating:** Joy Swivel in Momentum Infinity Aster.
