

# proxy

executive & conference swivel seating

proxy

*Zipper back detail  
Aluminum cantilever arm with grey arm cap  
Grey urethane soft wheel caster*

**lustrous composure**

Proxy dresses for any occasion, from progressive back designs to polished aluminum details, for maximum effect.

collaboration without concession

Optional conference cylinders with stylish handles offer subtle environment control without sacrificing flexible functionality.

proxy

**uncomplicated flexibility**

Don't compromise. Proxy can be a workhorse—offering unprecedented value with 6 knit back color options to complement any space. The knit conforms and supports better than a mesh back.

Double stitch back with handle  
Stool base with adjustable footing  
Low back contour lumbar support

**attentive performance**

The perfect stool combines performance with aesthetic; realized here in an easy-to-navigate, handled, low back, for uncluttered, elevated seating with complete lumbar support.

instantaneous transitions

Proxy multi-tasks like a pro, transitioning from a seated to standing position to instantly transform any workspace.
