

With virtually **endless configuration options**, Playground is a multipurpose bench and lounge collection limited only by the imagination. Run wild with serpentine shapes, play it safe with straight models or switch it up with transitional units for opposing seated directions - whether you stick to the rules or make it up as you go along, Playground provides all the function without spoiling the fun!

Transitional benches make seating approachable from both sides. Select from left or right transition models or combine to configure in any direction.

#7224-BR-STR-W 24" Straight Bench with Backrest, Stationary Table-ette  
#7248-RT Right Transition Bench

Left transition bench, frame finish in cotton.

22" round ottoman, metallic silver leg finish.

7222

While Playground outwardly expresses a *youthful sensibility*, its offering of functional, work-ready accessories provide all the means to get down to business. An optional rotating tablet or stationary table-ette offer just the right amount of space for a laptop or tablet, while integrated power units ensure that visitors can plug-and-play for hours on end.

7201

Lounge chair, chrome frame finish.

7202

Love seat, graphite frame finish.

7203

Sofa, metallic silver frame finish.

# Playground Modular

48" straight bench, wood veneer stationary table-ette, chrome leg finish.
