Apex

Apex

The Apex task and conference chair were designed with adaptability and affordability in mind. The sleek design and customizable seat cushion make it the perfect solution for any environment. It comes standard with an M5 mechanism allowing for multiple points of adjustment -making it one of the most comfortable chairs on the market. Its breathable mesh back and adjustable lumbar support keep you cool and collected throughout the day. However, its adaptability doesn't just apply to its features – it's also priced to fit any budget.
