*Lift Stool*

# Lift Stool

---

The lift stool is the perfect seat for those looking to switch things up during the workday. It's 10 degree tilt feature is ideal for those that love to sit or stand at their desk. The 360 pneumatic mechanism allows you to raise and lower your seat from any sitting position. Throw in the fact that each seat cushion can be completely customizable with any of our fabric selections, it makes the perfect multi-purpose seating option for any environment.
