SEATING COLLECTION

TAKE A SEAT

Welcome to a collection of office seating designed to move with the rhythm of your workday. At Ethosource, we don't just provide seating; we create solutions. Each chair is thoughtfully crafted to combine form, function, and durability, ensuring your workplace is both stylish and efficient. Whether you're leading a meeting, brainstorming the next big idea, or simply taking a moment to recharge, our chairs are designed to keep pace with the demands of your day. Empower your productivity, elevate your space, and experience the Ethosource difference.

From sleek executive chairs that command presence in conference rooms to versatile, stackable options that fit any collaborative area, we provide a wide range of styles to ensure your workplace remains both efficient and inspiring. Whether you're leading a team, brainstorming, or taking a break, Ethosource seating empowers you to work with comfort and confidence in an environment that fuels productivity.

The Apex is loaded with options and can be configured to shine in any room in your office.

APEX EXECUTIVE

TASK | CONFERENCE

For a more polished look, try the Apex Executive and upgrade your conference room or private office.

SUMMIT

TASK | STOOL

The Summit chair redefines support with its ergonomic design and eye-catching details, making it the ultimate statement piece for task seating.

APPROACH

TASK | STOOL

Look good and be comfortable while doing it in our Approach task chair, which provides elegance and functionality at any budget.

ALPINE

TASK | STOOL

Bring subtle elegance and remarkable versatility to contemporary office spaces. Effortlessly elevating both comfort and aesthetics, it's a seating solution that works as hard as you do.

SLING

GUEST

The perfect way to provide additional seating in any private office, conference or training room.

ASCENT

NESTING

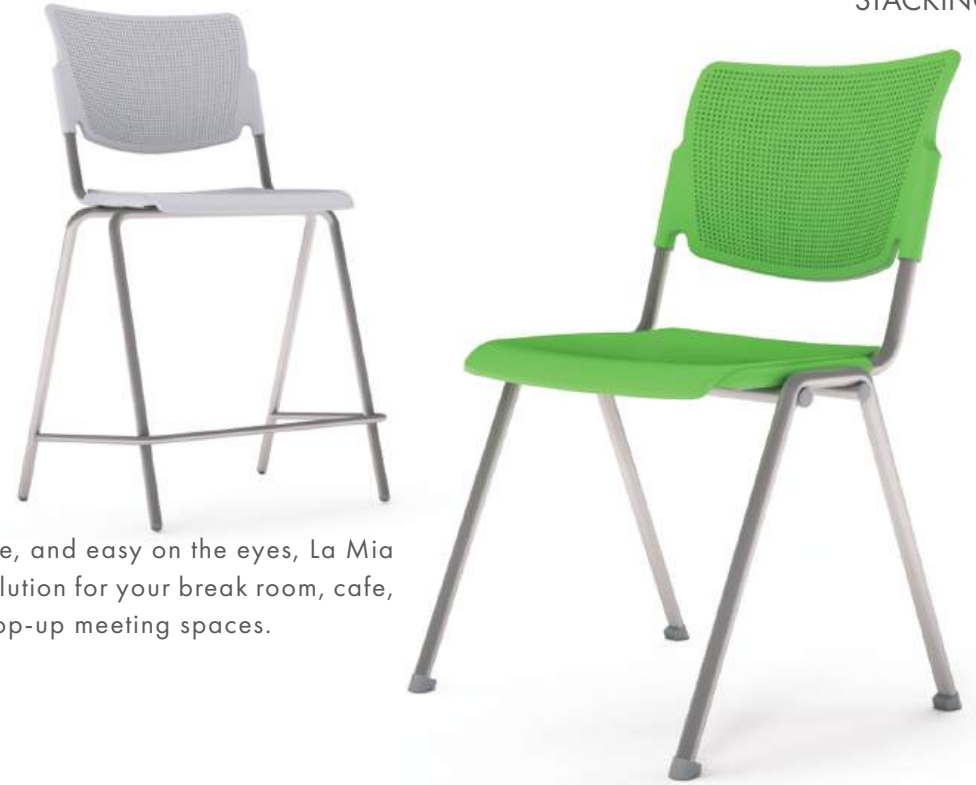

Elevate meetings and training sessions with comfort and versatility. The effortless flip-and-nest design makes storage a breeze, keeping your space ready for what's next.

LA MIA

STACKING | STOOL

Comfortable, durable, and easy on the eyes, La Mia offers a stackable solution for your break room, cafe, or other pop-up meeting spaces.

The Lift stool keeps you comfortable at every height, offering a dynamic solution for collaborative spaces or sit-to-stand desks.
