Belay

Belay

The Belay flexes, moves, and supports with every shift, thanks to its one-piece, tapered shell. Soft, elegant, and comfortable, it adapts to whoever sits in it. Bases, colors, and seat upholstery can be mixed and matched, so every environment looks polished and feels like home. Even in the smallest details, there's a rhythm and balance, like stirring the perfect cup of tea. Stackable, versatile, and highly adaptable, the Belay is one chair with a world of possibilities.
