

Take Off

Private offices and benching tables.

artopex®

A large, light blue, stylized letter 'Q' graphic is positioned on the left side of the page, partially overlapping the main title text.

The art and the purpose

TAKE OFF

A collection of freestanding
furniture that pushes
boundaries and trends.

TAKE-OFF-OFFICE-C020

When flexibility meets beauty

Welcome to the heart of a collection that pushes the limits and follows trends. From the small 4-legged table to the large executive desk, including multi-level stations, shared surfaces and numerous storage units, Take Off adapts to your needs and spaces.

Metal: Grigio Bromo

TAKE-OFF-OFFICE-C006

Comfortable, at home and at work

Give your team members the comfort and atmosphere of home! Take Off sometimes takes inspiration from residential design trends to create warm and dynamic areas.

Combined with our variety of lounge furniture, the collection will transport you to the wonderful world of the «resimercial»!

Different levels of privacy

Take Off is in sync with the growing demand of unassigned furniture and allows you to optimize your spaces without compromising the well-being of your employees on the move.

The back of the storage units is recessed and can accommodate a felt, acrylic, or laminate tile, adding a touch of texture and personality.

Perfect collaboration

Take Off benching tables have been designed to maximize the use of open spaces and encourage collaboration without compromising the privacy of users. They offer a choice of configurations, including smart power management, flexible storage options and practical work tools.

TAKE-OFF-BENCHING-C007

Space optimization

Whether you want to accommodate your employees in in-person, hybrid, assigned or unassigned mode, Take Off benching tables optimize the use of your space while encouraging collaboration within your team.

TAKE-OFF-LOW-WALL-C002

Low walls

The low walls make Take Off a sharp and adaptable collection. Available in 3 different heights (17 in., 28 in. and 40 in.), the Take Off low wall can be used as a mobile storage unit, a plant wall, a space divider and a collaborative station.

It will quickly become a must-have in your spaces!
