MONOCHROM-C009C

The perfection of contrasts: between modernity and natural warmth.

Because a reception area should be as inviting as it is impressive, the Monochrom reception incorporates warm wood inserts that soften its sleek, contemporary design. By pairing the gentle touch of ultra-matte surfaces with the natural richness of wood, it achieves a striking contrast that captures attention and encourages interaction.

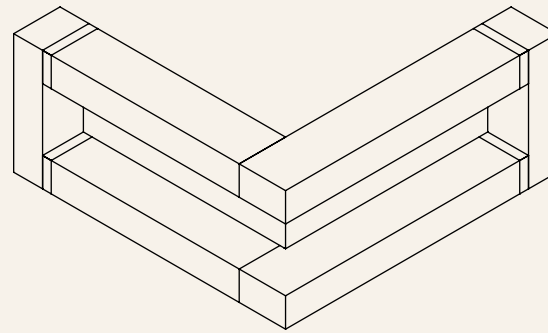

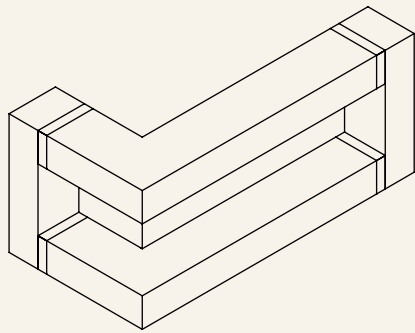

Discover the backstage

Monochrom is designed to provide a workspace that is both functional and elegant. This reception combines style, practicality, and ergonomics to offer an optimal experience for both employees and visitors.
